

Dear Corporate Sponsor,

As the world slowly continues to get back to normal amidst the COVID-19 pandemic, we are excited to announce the Biasi-Shuma Memorial 5K Run/Walk will be returning this July. Last year, social distancing and safety precautions forced us to take a year hiatus, along with many other events across the country. As the tireless commitment of our healthcare heroes and devoted citizens allow us to begin returning to pre-COVID times, we are confident we can safely host all of our runners and walkers this July 3, 2021. Proceeds from this event will be donated to the Trinity Health System Heart Center and the United Way of Jefferson County.

We understand that this last year was challenging in many ways, especially financially. If you cannot donate as a sponsor, we hope you will still consider attending in July.

Mike Shuma and Gino Biasi's generosity to the community has made a strong impact and lasting impression. They have touched the hearts of many individuals. We want to continue to impact the community in their memory, especially after this past year.

In 2019, the Biasi-Shuma Memorial 5K Run/Walk generated **\$19,000**, which was a \$2,000 increase from the previous year. This would not have been possible without your continued support!

We ask for your support this year at one of our three sponsorship levels:

Gold Sponsor = **\$500**  
Silver Sponsor = **\$250**  
Bronze Sponsor = **\$125**

Please complete and return the enclosed form by May 31, 2021. Your business will be recognized as a sponsor at the event, and depending on your sponsorship level commitment, your business may be included on event advertising. Further details regarding this commitment are on the enclosed sponsorship form. Please make checks payable to Toronto Kiwanis.

We greatly appreciate your donation to these worthy causes.

Sincerely,

Michael Biasi
